

## NEWS AND VIEWS . . .

### And What Have You By BOB CRAIG

Hamlin and Jones County came out in pretty good shape in the redistricting plan adopted by the state Legislative Redistricting Board last Friday. The new district will include a small part of Abilene, all of rural Taylor County plus Jones, Nolan, Mitchell and Fisher Counties.

This plan is much better than the one that the House passed originally (but the courts threw out) because it does not split Jones County into two different districts. It also has the advantage of making the new district more of a rural district.

The new district takes in the part of Abilene where Rep. Grant Jones lives and would make him the incumbent. However he is supposed to be looking at the senate race now that Abilene is in a new district without an incumbent.

Rep. Frank Calhoun, the other representative currently serving Jones County, would serve the district made up of the balance of Abilene.

I have not looked at a big map of Abilene that shows the two new districts but the board pulled off a neat trick in making the new districts by splitting the line between where Calhoun and Jones live. This was a pretty good trick since they both live in the same neighborhood.

I am still not sure how we came out in the state senate redistricting approved by the same committee. We are no longer in the district with Abilene, but are in the same district with Wichita Falls.

I did notice right quick that Abilene was not too happy with the senate redistricting job since they will no longer dominate a rural district but instead were placed in a district with Waco.

I saw in the paper the other day where they are going to try a new experiment in education in San Antonio. It seems they have worked out a test program where they will pay bonuses to teachers, pupils and parents for doing a better job of teaching and learning.

It seems they are going to take two grade schools in San Antonio, conduct tests at both of them now and again at the end of the program and if the test school learns more than the other school does they are going to pay everybody a bonus.

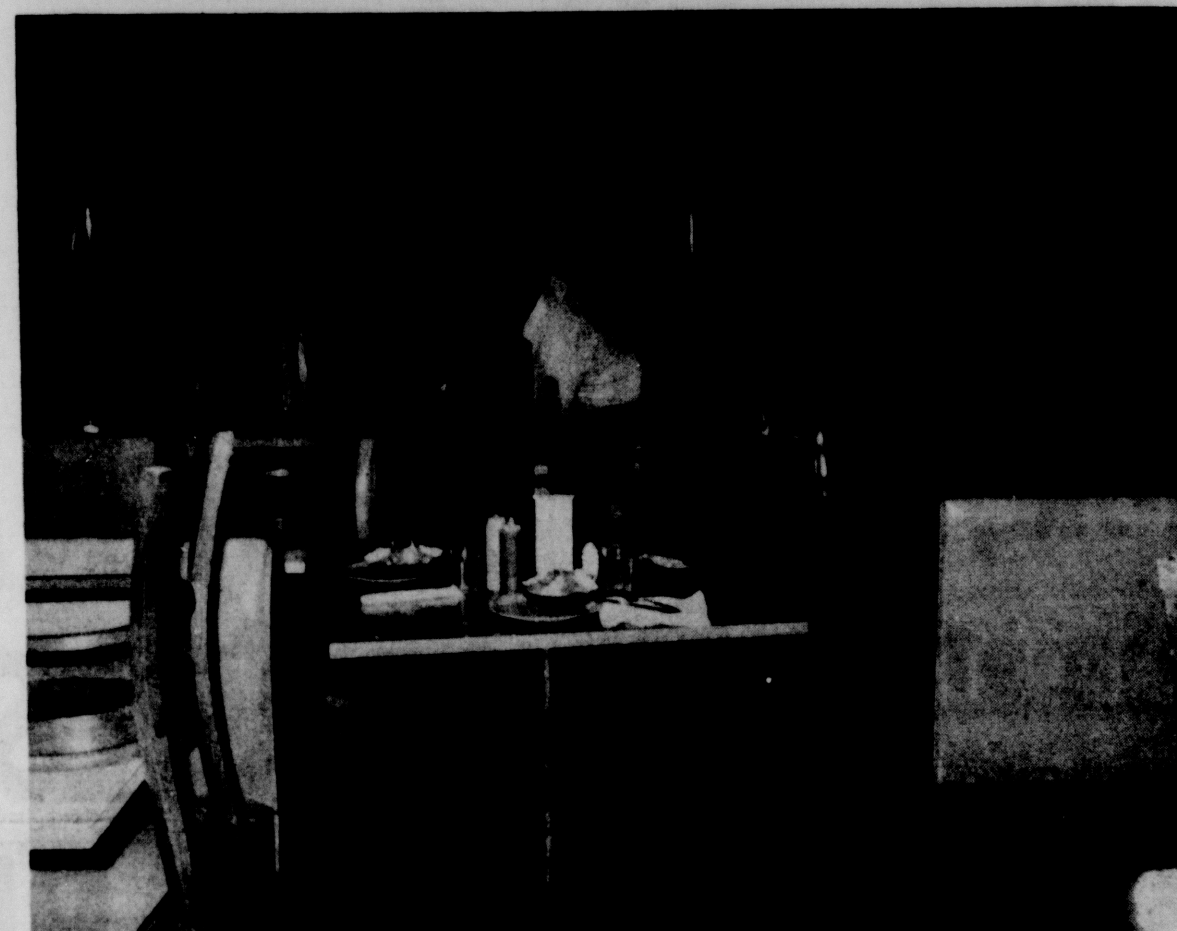

Thus sounds like one more of our give away programs to me. I like the idea of testing to see if the teachers are teaching and the students are learning but can not quite see giving a bonus for doing what is supposed to be done anyway.

This is especially true of the part where the students and the parents will get paid if the students make good grades. We are having a hard enough time now just paying taxes to support the schools without coming up with more money to pay the students and their parents.

With deer season just around the corner I thought that you deer hunters might like to see the following tips as prepared by Cong. Omar Burleson in his weekly newsletter:

1. First you need a fast car — so you can get there early on the first day of the season — get the best place and save a chance of being shot at before you get in the brush. As a side benefit it saves the other guy some ammunition.
2. Be sure to shoot at anything that moves. If it's not a deer, it might be your best friend.
3. When you finally get your deer (maybe at 50 yards) be sure to pump a few more shots into the hams, backstrap and stomach.
4. Be certain not to bleed the cirtter. The locker plant man would be disappointed if you brought in a clean deer with lungs removed.
5. If you skin your deer, roll him around in the dirt real good and then wrap him in newspaper — (Sunday funnies are best because they stick

**BUILDING DAMAGED BY WATER** — Hamlin Restaurant was heavily damaged Tuesday afternoon when the back section of the roof, in top photo, collapsed. In lower photo, owner Phil Mann, sweeps out water Wednesday morning in the front section of the restaurant. Right photo shows damage to dining

room. The roof collapsed at 5:37 p.m. during a heavy downpour. The rain started about 3:30 p.m. and intermittent showers continued until about 8:30 p.m. Official measurement for this period was .87. Other rainfall during the week was 1.07 Friday evening.

## Pipers to Travel To Anson Friday

The Hamlin Pied Pipers and the Anson Tigers will both be when the two teams meet on the Tiger gridiron Friday evening at 7:30 in Anson.

While the Pipers were losing to Rotan last week 32-12, the Tigers were losing to Haskell 6-0. The Tiger loss came on three safeties. In the other district 7-AA game last week Stamford defeated Merkel 42-6.

In other action this Friday

Haskell will be playing at Merkel and Rotan will be playing at Stamford.

Coach Deane Wright told the Booster Club Monday evening that the Pipers probably played their best game of the season last Friday against Rotan but that they made three big mistakes. The Pipers fumbled three times against Rotan with all three mistakes leading to Rotan touchdowns. Because of

the fumbles the Yellowhammers took over the ball on the Hamlin 18, 19 and six yard lines.

Coach Wright said Monday that Ray Scifres would miss the Anson game because of a knee injury received in the Rotan game but he expected Johnny Jones to be ready for action by Friday. Jones missed the Rotan game because of a bruised leg muscle.

Scouting reports indicate that the Tigers have a strong passing game with Quarterback Ricky Watts, a 155-pound junior, throwing over 30 times in each of the last two ball games. Top running back for the Tigers is Mack Rye, a 155-pound senior.

The Tigers field a big team on defense with the front line averaging about 200 pounds.

### Reserved Seats On Sale Here

Principal B. V. Newberry has announced that Anson has reserved 300 seats for Hamlin fans for the Friday night game there. Only persons holding reserved seat tickets will be permitted to sit in the marked off section, he said.

Tickets are available at Reynolds Drug, Waggoner Drug and Howard Drug. Reserved seats are \$1.75 and general admission at the gate will be \$1.50.

### Annual Flower Show Planned Here Saturday

"Autumn Artistry" will be the theme for the Hamlin Garden Club's annual flower show to be staged here Saturday in the high school cafeteria.

Mrs. John Ed Day is show chairman.

The fall flower show will be open to the public from 3 to 6 p.m. There is no admission charge.

A plant sale will also be held. All members are urged to be at the cafeteria on Friday at 1:30 p.m. to make preparations for the Saturday show.

Judging will begin at 12:30 p.m.

### Jones County Diapause Control Meeting Tuesday

A meeting of county cotton farmers has been called for Tuesday, Nov. 2, to discuss organizing a Boll Weevil Diapause Control program for Jones County, according to Kirby Clayton, county agent.

The meeting will be held at 2 p.m. in the Sirloin Cafe in Anson.

Emory Boring of Vernon, area entomologist for the Texas A & M Extension Service, will explain the program.

Charles Holt of the Texas Dept. Agriculture in Austin will be on hand to explain the financing. It is expected that the state would pay half of the cost of the program.

### Hamlin Jaycees Express Thanks for Carnival Support

The Hamlin Jaycees and Jaycee-ettes express their thanks to all who supported the carnival held here last week.

The organizations also extended a special thanks to City Food Market, Heidenheimers and Winns for selling advance ride tickets.

Gross receipts totalled \$1,253.00, including \$456 from the carnival rides and \$797.00 from the booths. The Jaycee-ettes grossed \$190.00 from the concession stand.

## Annual Boy Scout Fund Drive Now Underway Here

The Boy Scout Fund Drive is now underway under the direction of Jerry Smith, chairman.

Plans were made for the drive at a meeting Wednesday evening with Robert Harris, scout executive with the Chisholm Trail Council. Other workers with Smith include Bill Davis, Harvey Lawlis, Joe Cortez, Ellis West and Charles Reed.

The funds from the drive will be used to help support the scouting program in this area. The funds will aid with the maintenance of the Camp Tonkawa near Buffalo Gap, pay postage, keep the Scout Service Center in Abilene open to aid the volunteer Scouters in nine counties and maintain the services of four full-time field professional Scouters to help the volunteer workers.

The local Cubmaster is Young Bill Maddox. Den mothers are

### Mink Family To Present P-TA Program Nov. 4

The Lynn Mink family will highlight the Nov. 4 meeting of the Hamlin Elementary Parent-Teachers Association to be held at 4 p.m. in the primary cafeteria.

The three children, Sheri, 11, Terry, 12, and Gary, 9, sing as a group called "The New Image." They will be accompanied by their mother, Mrs. Mink, on the piano. They will be introduced by their father, Lynn Mink, minister of music and youth education director of First Baptist Church.

The Nov. 4 meeting was originally set as a night meeting but was changed to 4 p.m.

Mmes. Ronald Carter, James Crowley, Rollins Roth, Harvey Lawlis, David Wade and David Epley.

Den leaders are Steve Reynolds, Donald Young and Rollins Roth.

Jerry Atkinson is Hamlin Scoutmaster. The Scout troop is presently making plans to attend an overnight campout at Ft. Griffin State Park along with some 100 Scouts from this area.

### Police Chief Urges 'Clean' Halloween Fun

"We want the youngsters of Hamlin to have a nice clean Halloween and have fun," says Police Chief Ed Wheat, "but we cannot tolerate damage and malicious mischief."

He encourages parents of small children to take them out "Trick or Treating" early before the older "spooks" begin to circulate. He also urges parents to chaperone their young children.

### 500 Articles Sold In P-TA Garage Sale Saturday

Over 500 articles were sold during the Garage Sale held by the Hamlin Parent-Teachers Association Saturday. Total received from the sale was \$35.45.

The remaining clothing was boxed and given to the Salvation Army.

The project was termed a success as receipts will be used to buy necessary items for the needy and the area used for storage can be used for clothing

### Citizens Warned About Solicitors Without Permits

Solicitors and peddlers have been appearing in Hamlin in greater numbers during the past few weeks, according to Police Chief Ed Wheat, and most of these are not acquiring permits to solicit in Hamlin as required by a local ordinance, he added.

Citizens should ask to see the solicitor's permit to show that he has registered with City Hall and is authorized to be selling in Hamlin. If he has no permit, the citizen should call the Police Department and give a description of the solicitor and license number of the vehicle, if possible.

The soliciting and peddling ordinance also applies to the persons selling items as deaf mutes.

Joe E. Felton, executive director of the Better Business Bureau in Abilene, Tuesday quoted the National Association of the Deaf's advice against giving money to deaf mutes who solicit funds and pass out cards. "Usually they hand out small cards bearing an appeal for contributions and the statement, 'I am a deaf mute,'" Felton said. "The reverse side of the card contains the alphabet in sign language."

He said they are not always deaf mutes.

He quoted the national association as saying, "Don't be a sucker. Don't give money to these peddlers under any circumstances. Tell them to get out and go to work. This is what the majority of the deaf are proudly doing now."

Weekend visitors in the home of Mr. and Mrs. James F. Wright and Tony were Mrs. Wright's mother, Mrs. W. P. Fraser of Denver, Colo., and sister, Mrs. J. W. Cearley of Frisco, Colo.

### BCD Banquet Date, Speaker Announced

The date and speaker for the annual Hamlin Board of Community Development Banquet was set by the board of directors at their meeting last Wednesday, according to John Scarborough, president.

The banquet will be held in the high school cafeteria Thursday, Jan. 20.

The speaker will be Rev. Kenneth Wyatt of Tulsa. He is a former Methodist minister, an artist and a noted after dinner speaker.

A highlight of this year's banquet will be the awarding of an "Outstanding Citizen Award." The selection will be made by presidents of the civic clubs of Hamlin with Melvin Scott serving as chairman.

### School Pictures Set Here Friday

The school photographer will be here Friday for his annual visit to take pictures of Hamlin school children.

All parents of pre-school children who would like to have pictures of their children taken should have them at the primary school during the morning Friday.

Pictures of the pre-school children are taken with the parents being obligated to purchase the pictures.

Martha Robertson, daughter of Mr. and Mrs. Revis Robertson, was elected vice president of the council of Hardin-Simmons University's Hunter Hall.

Mr. and Mrs. George Bingham and Denise of Odessa visited his parents, Mr. and Mrs. Bonnie Bingham over the weekend.

### Nancy Wall Is Named McCauley Football S'heart

During half-time activities of the McCauley-Fluvanna football game Nancy Wall was crowned Football Sweetheart. Nancy is a senior and a cheerleader this year. A football hero, Eddie Gibson was also honored.

Howard Faught, president of Ex-students Association awarded Larry Smart a gift for traveling the most miles to the Homecoming. Larry is stationed at Fort Benning, Georgia. More than 100 people attended the dinner preceding the football game and many more ex'es and fans from surrounding communities who had once been residents of McCauley attended the football game.

Graduating classes dating back to 1913 were represented by Maudie Fancher Barton, 1918 by Eula Fancher McHone, and Ellen Peacock Galloway, 1923 by R. B. Hennington, 1924 by Hollis Madden, 1928 by Mrs. P. H. Buster (Emma Mae Green) and Howell Buster, teacher 1932. Buford Dean of 1926, Ruth Kemp Crance of 1928, Emma Hopkins Poin-dexter of 1927 and many others; representing classes of more recent years.

New officers elected for next homecoming were: President, Bobby Smith, first vice-president, Marion Reed, second vice president Ricky Jeffrey; Secretary, Prescilla Smith and Treasurer, Vickie Smart.

### In Astrodome

James Knabel, senior, C. A. Jenkins and Robert Bailey, both sophomores, were members of the Hardin-Simmons University Concert Band which appeared at a massive Baptist Rally in Houston's Astrodome Wednesday night.

### Young H'makers Hold Halloween Party Monday

A Halloween Party at the Bluebird Hut was held Monday evening by the Young Homemakers.

Costumes were worn by those attending. Prizes were given to Mrs. John Cleaver for the ugliest costume and Mrs. Chris Pena for the most original.

After refreshments were served by the officers, the guests went through a haunted house where they also had their fortunes told. Mrs. Cecil Richardson was the fortune teller.

Games were played, including apple on a string and tow sack races.

During the business session the members decided to open their haunted house to children up through junior high school age and their parents on Saturday night from 7:30 to 9:30 p.m. Admission will be 15 cents and fortunes will be told for 10 cents.

Others attending the party were Mmes. Guy Weaver, Dan Newberry, Bobby Stubblefield, Blaine Bennett, Robert Moore, Larry McCoy, Burt Oliver, John Poe, Randy Brown, Mac Reid, Dwain Rogers, David Wade, Cleon Warner, Danny Warner, J. L. Warner, Travis Sursa, David Epley and Corky Taylor, advisor.

The next meeting will be Nov. 1 at the high school. The program will be presented by Mrs. Dan Newberry. She will show slides taken in Germany and Hawaii. Babysitting will be furnished.

**FORMER RESIDENT HONORED** — Cheryl Gibson, a freshman from Coleman was named Homecoming Queen for Cisco Junior College Saturday during half time ceremonies of the CJC-Tyler game. She was escorted by her brother, Steve Gibson, also a student at CJC. Both are former students of Hamlin schools. Their parents are Mrs. M. L. Johnson of Coleman and the late Mr. Boyd Gibson. (Photo courtesy of Abilene Reporter-News.)

N. A. Wilcoxson and Von Wilcoxson, both of Dallas, visited with their sisters, Mrs. R. M. Young Sr., and Mrs. Floyd Hallmark this weekend.

### Local Garden Club Women To Attend Meet

Mrs. Horace Driver, president, and Mrs. R. L. Goodgame Jr., first vice president, of the Hamlin Garden Club will attend the District VIII Texas Garden Club Convention in Big Lake. Reagan Garden Club of Big Lake will host the fall convention Nov. 5-6 in the Methodist Church building. The Hamlin women will attend the Saturday session.

### Mrs. Willingham Hosts Beta Theta Meeting Oct. 20

Mrs. Jack Willingham was hostess for the Oct. 20 meeting of Beta Theta Chapter of Beta Sigma Phi. Mrs. Ken Prewit, president, presided.

Plans were made for a Thanksgiving dinner to be held Nov. 20 at the Hamlin Country Club. Following the business meeting the members went to the home of Mrs. E. D. Perrin for the program which she presented on her trip to Japan. She presented slides of the areas that were visited, including Hong Kong, Thailand and Japan.

Several art objects were shown to the club members. Among them were a jade tree and miniature carvings in solid ivory.

Others present were Mmes. Jerry Smith, O. H. Weaver Jr., Sam Mac Hodges, Mack Sellers, Johnny Jeffrey, Bob McKissack, Joe E. Ford, Parker Kelley, Cecil Richardson and Leldon Clifton, sponsor.

The next meeting will be Nov. 3 at 4 p.m. in the home of Mrs. Mack Sellers.

### HERO-FHA Club Organizes Here, Elects Officers

The Home Economics Cooperative Education Class of Hamlin High School met in the foods lab of the Homemaking Department Friday to organize a club.

The group selected HERO-FHA chapter for the name of the organization. HERO symbolizes honesty, enthusiasm, responsibility and opportunity. The FHA stands for the Future Homemakers of America.

Officers were elected as follows: Latrese Williams, president; Joe Martinez, first vice president; Frances Collins, fourth vice president; Martha Ellison, reporter; Sandra Tyler, secretary; and Terry Bailey, treasurer.

Committee selected for the program and yearbook planning by Martinez were Miss Ellison and Joy Burleson.

Miss Williams named Terry Bailey and Frances Collins to the constitution and by-laws committee.

The next meeting will be held Nov. 19. The project for this meeting will be to gather toys for the Volunteer Fire Department to repair for needy children. Two places of employment will also be visited.

### Red Flower Blue Bird Group Makes Book Markers

Members of the Red Flower Blue Bird group made book markers at the Oct. 20 meeting in the Blue Bird Hut.

Kathy Prewit, president, presided. Teri Weaver played the song and Karen Ponder called the roll.

Refreshments were served by Mrs. Roy Server. The next meeting will be a Halloween party.

Others attending were Carla Allen, Karen Alexander, Kay Bailey, Belinda Counts, Leisha Eaton, Michael Green, Jacquelin Hooper, Lisa Kiser, LaEtta Scifres, Loutanna Scifres, Deborah Server, Karen Smith, Tammy McAnally, Pamela Thronton, Tammy Townsend, Cindy Woods and Dorthy White.

### News from...

#### SYLVESTER

by Mrs. R. M. Babb

We have had 1.65 in. of rain last week but can't say as to what will happen today. It looks like winter and rain. Kind of rough on these cotton farmers and the ones raising grain or hay. The fields are too wet to get into to do anything so guess we will just wait.

Mr. and Mrs. Freddie Kiser of Sweetwater drove over one afternoon and visited with his brothers, the Roy and Raymond Kiser families.

Mr. and Mrs. Merrell Turner of Farwell visited in the Charles Scott home and with her Mother, Mrs. Ella Scott, in Hamlin.

Mrs. Retta Kidd has been able to come home after several weeks in Hamlin hospital.

Grace Brewer has been here for several days. She has sold the brick in the old store building and says she will return to Abilene soon.

Mrs. Velma Reed and Mrs. Loys Smith drove to Breckenridge Saturday taking Loys Smith so his brother Alton could take him on to Temple for surgery.

Mrs. Eivens of Ft. Worth returned home last Saturday having spent several days in her daughters home, Mrs. Milo Gray.

Mr. and Mrs. Curtis Howard are very happy to have with them, their daughter, Tessa Holdridge, of Oceanside, Calif.

Miss Alice Cross is doing real well after hip surgery in Temple last week.

Mr. and Mrs. Spurlon Harris have moved into Sweetwater.

Mr. and Mrs. Gordon Davis enjoyed a nice vacation in all parts of Arizona recently.

Mr. and Mrs. Floyd McCain and Mr. and Mrs. Luke Maberry were in Temple last week for a check up.

FROM THE FILES . . .

FORTY FIVE YEARS AGO  
(October 26, 1928)

The football battle is transferred to the Rotan lot this Friday. This takes the Pied Pipers off their own grounds for the first time this season. So far they have played Roby, Stamford and Merkel here, losing all three of the games, but still they are full of fight.

Last Friday the Pipers took on Merkel and enjoyed a very evenly fought battle. Merkel managed to come out over Hamlin with 7 to 6 in their favor. The crowd was not as large as in other games, but the racket and fuss of the pep squad was all there and the few persons over from Merkel went into heights of untold joy when their boys made a touch down, the first point of the season. But soon after this unusual sensation for Merkel, Hamlin came in for the same feeling. Hamlin went over the line for her first time. So after all both teams went away feeling better. But not as good as Hamlin fans wished.

Due to a discussion held in class meeting Monday, the date of our carnival was changed. We believe that it will be best to have it November 2nd, instead of Hallowe'en night.

As this chosen date is on Friday, we believe that it will allow us more time to get the school building back in order for the regular weekly session of the following Monday.

Please, folks, don't forget the date, November 2nd, and come. You'll have a wonderful time, and we'll have a wonderful time counting our profits.

Friendly rivalry is running full strength among the classes for the best stunt. The gum chewing and cracker teasing contest will also offer a great deal of amusement.

The Hamlin telephone operators enjoyed a delicious luncheon Sunday, October twenty-first at the noon hour, in the rest room.

After lunch they drove to the City Lake and Park kodaking.

TWENTY YEARS AGO  
(October 26, 1951)

Hamlin almost got a soaking rain on Monday, for which long it had been hoping and evenpraying.

Sunday night the distant horizons began to occasionally glint with lightning, and shortly after dawn Monday the skies released a few sprinkled drops that by noon had turned into a dismal drizzle.

The young folks knew the need of that rain but sort of hoped since it had waited so long, perhaps it would hold off until after the Hamlin-Anson football game tonight (Friday), but the older heads who worry with payrolls and love the music of clanging cash registers fervently hoped in vain that the drizzle would become a downpour.

It didn't, and Tuesday dawned sunny and bright, capped by a hot afternoon.

The week as a whole was not the best that nature could have provided had it been more benevolent.

Despite the lack of badly needed rains even the old-timers of the greater Hamlin area say that it is amazing how the crops continue to grow and withstand the strain of drought-like conditions. Pastures are not faring so well, however.

One of a series of Fire Marshall's training classes to be held in five area cities may be held in Hamlin next week, according to Weldon Hudson, volunteer marshall here.

First of the sessions will be opened in Haskell Monday night, and will be attended by Hudson and six or eight members of the Hamlin Volunteer Fire Department.

If final plans and specifications are approved by the United States Post Office Department, Hamlin may have a new \$25,000 post office building by March 1 of next year.

Location of the building, if approved, will be constructed on the corner lot of Southwest Third Street and Southwest Avenue A, facing north on the paved portion of Third.

The Post office proper will contain 3,000 square feet of floor space. The property upon which it will be constructed is 50x100 feet in width and depth, and for patriotic and decorative purposes will include a flag pole.

TEN YEARS AGO  
(October 26, 1961)

The second annual Hamlin Jaycee Carnival is in full swing here with fun and excitement for everyone. The four day affair opened Wednesday night and will close out Saturday night.

The big show is located this year on Willard Jones' lot behind Safeway and features all of the rides to be found at most carnivals and fairs plus 15 booths operated by the local club members.

This is the second year of the carnival here and is expected to be bigger and better than before with several new booths added this year. There was some question Wednesday as to whether or not the club would be able to have their popular Dunking Sam in operation this year because of the cold front that moved in on Wednesday morning.

Charles Absher, Jaycee president, said that like all of the money raising projects by the club the profits of the carnival will be used for their many youth programs and for civic and community improvements projects.

Carnival chairman Jerry Howard stated that the group has a large number of desirable prizes to be won at the various booths plus an attendance prize to be awarded each of the four nights.

All of the rides will be operated by experienced carnival men who work with civic clubs all over the state supplying the booths and operating the rides.

The Pied Pipers are taking the weekend off this week after reaching the midway point in the district race with a 1-1 record. They will host Spur here the following week for their final home game and then journey to Stamford the next week to finish out the regular schedule.

While the Pipers are idle, Stamford and Anson will be squared off at Stamford with Haskell taking on Spur. Anson will be fighting to stay in the race with a 1-1 record, holding a win over Spur and a loss to Hamlin. Stamford with a 1-0 record needs a win Friday to remain tied for first or to take an undisputed lead. Haskell is not expected to have much trouble with lowly rated Spur to hold on to their share of the title lead.

And What Have You

By BOB CRAIG

well and the ink gives a delicate flavor of burnt rubber.)

6. Next — drag your carcass to the car, place it over the hood — in the hottest place. This way it will dry out after awhile, catch all the dust and people can see you got one.

7. On the way home, stop at a beer joint and after warming up, tell all about it. "He was at least 250 yards and running full speed....."

8. By being delayed you won't be home until well after midnight. Wake the locker plant man and tell him the way you want every piece cut. While he's doing this tell him how you dropped your trophy with one shot at 450 yards.

Nebraska, Kansas, Oklahoma and Texas are expected to be on hand to bid for the hereford, angus and crossbred cows and heifers.

Sellers indicates that the sale will feature young, selected, pregnancy tested cattle. Cattle are being consigned from a very broad area including a lot of 250 from New Mexico. The consignments are in large lots from sizeable ranching operations, as well as in smaller groups from

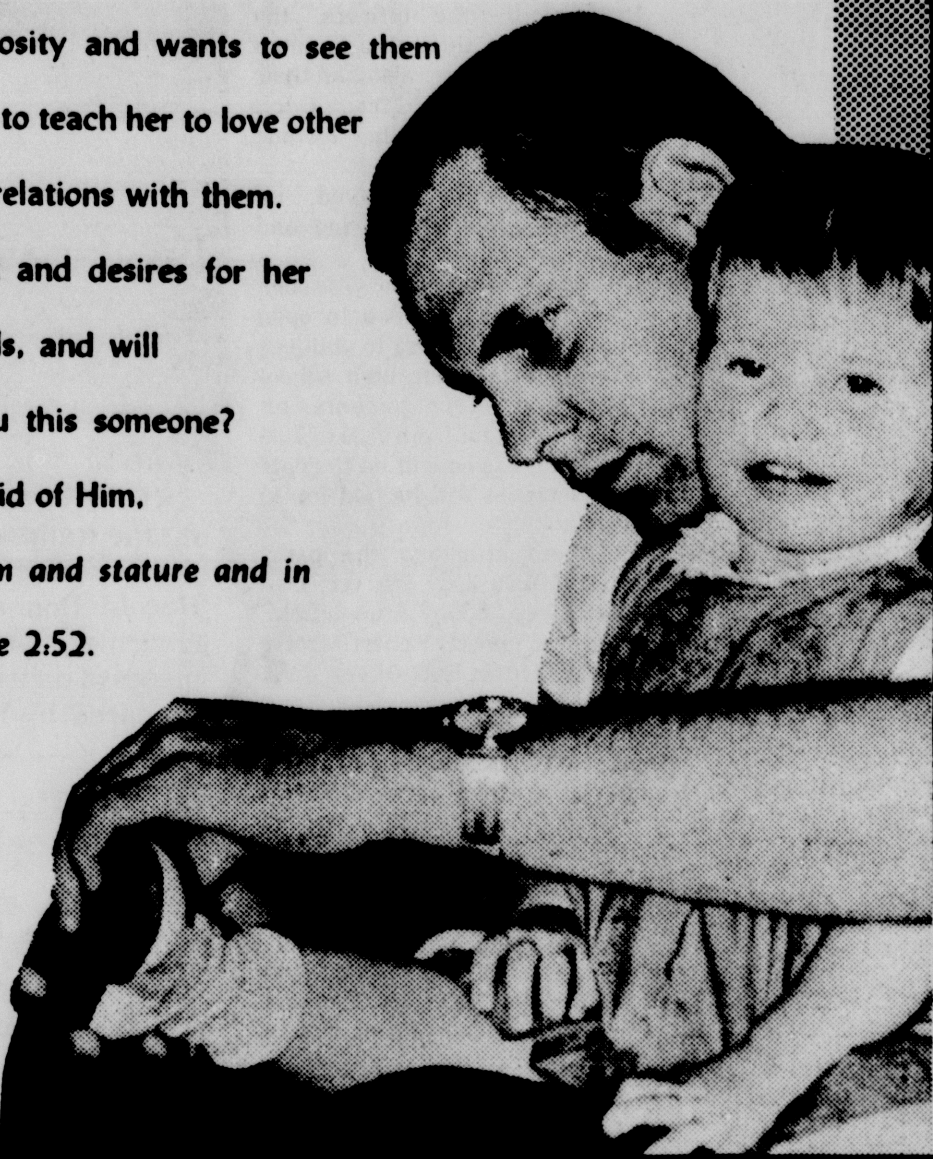

individual owners.

Visiting in the home of Mr. and Mrs. A. C. Hayes over the weekend were their daughter and family, Mr. and Mrs. Don Rose of Stamford; a niece and family, Mr. and Mrs. Charles Sueh and Stevens of San Antonio; and their daughter-in-law, Mrs. Joe Hayes and Bryan of Wickett, and Mrs. Joe Hayes' sister, Mrs. Doug Curbow and Susan of Monahans.

SOMEBODY CARES

It is so important that someone cares about how this child grows up. Someone cares that she is clothed and fed and loved. Someone cares that she goes to school and grows in mind as well as body. Someone cares about her childhood wonder and curiosity and wants to see them satisfied. Someone cares enough to teach her to love other people and will help her in her relations with them. Someone cares about her spirit and desires for her the highest ideals and standards, and will help her to know God. Are you this someone? Let it be said of her as it was said of Him, "And Jesus increased in wisdom and stature and in favor with God and man." Luke 2:52.

TAKE  
SOMEONE  
TO CHURCH  
THIS WEEK

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**PUSHMOBILE WINNERS** — Members of Cub Scout Den 4, Pack 43, won first place in their first race Sunday in Abilene in the pushmobile race sponsored by Chisholm Trail Council. They went on to win the third place pack award in the nine-year-old division. In the pushmobile is Neal Baker. From left are Richie Carter, Larry Nall, Carl Pyron, James Beasley, Billy Fininis and Russell Crowley. The den mothers, not pictured, are Mrs. James Crowley and Mrs. Ronald Carter.

# Piper Fumbles Give Rotan Y'hammers 32-12 Victory

The Pied Pipers blew another chance to get into the winning column Friday as they fumbled away a district contest to the Rotan Yellowhammers, 32-12. Three fumbles gave the Yellowhammers three easy touchdowns and the victory. The Pipers fumbled two punts, one on their own 19-yard

## Jr. High Splits With Stamford, To Rotan Next

The Hamlin Junior High teams split a doubleheader in the rain here Tuesday night with Stamford. The seventh grade lost to Stamford, 36-0, and the eighth grade rolled to an easy 48-0 victory.

The two teams will travel to Rotan Tuesday with the first game starting at 6 p.m.

Daniel Willis opened up the scoring for the eighth grade with a 27-yard touchdown run in the first period. Quarterback Raymond Jordan carried in for the two points. Willis scored again in the first period on a 30-yard run and Robert Morales added the two points.

In the second period Jordan passed to Gary Mayes for a 45-yard touchdown. The points after try failed. Ken Maberry scored the next Hamlin touchdown on a two-yard carry. Willis added six more points just before the end of the half on a 30-yard carry.

Russell May scored twice in the second half, once on a 10-yard carry and once on a 26-yard carry. Willis added two points on to the final score.

## Albany Knocks Eighth Grade From Unbeaten Ranks

The Hamlin Junior High eighth graders lost their first game of the season here Thursday evening to the Junior High team from Albany. The game was originally scheduled for last Tuesday but was postponed because of rain. Albany scored last to win 30-28.

The loss of five fumbles played a major role in knocking the local team from the ranks of the undefeated.

Albany put eight points on the board to open the scoring with Hamlin tying up the game before the first quarter ended. Raymond Jordan passed to Gary Mayes for the 55-yard touchdown play and the same combination was good for the two points.

Albany pulled out in front with eight more points before Daniel Willis scored on a 65-yard touchdown run. The two point try failed and the team went in at half time with Albany ahead 16-14.

Albany scored eight more points in the third period to go ahead 24-14.

In the fourth period Willis scored a 22-yard touchdown and Jordan added the two points to bring Hamlin within two points of Albany. Willis added six more points to put Hamlin ahead, 23-24. But Albany came back with another six-pointer to take the lead and win 30-28.

line and one on their own 18 yard line, and their last fumble came on their own six-yard line.

Trailing by only two points at half time, the Pipers appeared to be carrying the fight to the Yellowhammers when they lost their second fumble of the night and gave up an easy touchdown. This touchdown put the game out of reach of the Pipers as a heavy third period downpour made catch up football almost impossible.

The Pipers opened the game by kicking off to the Yellowhammers who picked up 15 yards in five plays before punting to the Hamlin 20. The Pipers failed to make a first down and punted out to the Rotan 47.

It took Rotan only five plays to get on the scoreboard with Quarterback Norville Kennedy doing the honors from the one-yard line. The two point try failed.

Following the kickoff the two teams exchanged punts but the Pipers fumbled the one by Rotan and gave up the ball on the Hamlin 19. It took Rotan four plays to score — this time with Fullback William Duke scoring from the 15. Kennedy ran in for the two points.

Milton Jones returned the Rotan kick off back 19 yards to the Hamlin 37 and then passed to Halfback David Willis across the middle. Willis headed for the sidelines and outraced the Yellowhammers to the goal for a 63-yard touchdown play. The two point try failed.

Rotan moved down to the Hamlin 29 yard line following the kickoff before the Pipers stopped their drive and took over.

Fullback Barry McDonald picked up five yards, Hamlin lost five on a penalty. Milton passed to Kenneth King for nine yards, and McDonald picked up the first down at the 41. A pass went incomplete, McDonald picked up four more yards, and then Milton passed to Willis for 15 yards and a first down at the Rotan 40. McDonald picked up two yards, Joe Mayes four, and Willis picked up a first down at the 28.

Mayes gained two, McDonald five, and Mayes added five more for a first at the Rotan 16. Mayes was dropped for a two-yard loss, McDonald gained four, and on third down Milton pitched out to McDonald at the last second on the option with McDonald racing into the end-zone. The two point try was inches short.

Rotan moved down to the Hamlin eight-yard line before running out of downs. The Pipers ran out the clock to finish the half trailing 14-12.

Mayes returned the second half kickoff back 13 yards to the Hamlin 25. The Pipers moved down to the Rotan 26 before

giving up the ball on downs. The big gainer in the drive was a 27-yard run by Milton.

The Piper defense tightened up and the Yellowhammers were forced to punt on fourth down from the 24. But the Pipers fumbled the punt and gave the ball back to the Yellowhammers on the Hamlin 18. It took Rotan only five plays to put six more points on the board with Kennedy scoring from the one. The two-point try failed.

The Pipers failed to make their first down and punted out to Rotan with them returning it to the Hamlin 43. Five plays later Kennedy scored from the three-yard line to put the Yellowhammers out in front 26-12.

The Pipers fumbled the first play following the kickoff with Rotan taking over on the Hamlin six. Two plays later the Yellowhammers put six more points on the board with Duke scoring from the five. The two-point try failed.

Trying to play catch up in the rain, the Pipers had two passes intercepted.

On their next possession, the Pipers started a drive on their own 12 and moved down to the Rotan 11 before giving up the ball with only seconds left on the clock. The Yellowhammers ran out the clock to end the game.

## JV's Outscore Knox City, 28-24, Anson Here Thurs.

The Hamlin Junior Varsity defeated the Knox City Junior Varsity here Thursday evening in a wild scoring battle, 28-24. The local JV's will host Anson here tonight (Thursday) with the game set to start at 7 p.m.

Hamlin opened the scoring against Knox City with Quarterback Willie Hooper going in from one yard out. L. J. Lee added the two points.

George Titus intercepted a Knox City pass and returned it for six more points early in the contest to give the Hamlin JV's a 14-0 lead. Knox City got on the scoreboard with six points before the first period ended.

Lee put six more points on the board in the second period with Bill Cork adding the two points making the score 22-8. Knox City put eight points on the scoreboard before the half ended to make the score at halftime read, 22-16.

Knox City went ahead in the third period, 24-22, and Cork returned a punt 80 yards in the fourth period to put the local JV's out in front 28-24. The two point try failed and the game ended with the score 28-24.

# Old Glory

By JUDY WHITE

Old Glory students in grades one through six enjoyed a field trip to Abilene last Friday morning. They visited Teepee Village on the McMurry College campus and then went to the West Texas Rehabilitation Center. They returned to school in the afternoon.

Mrs. Katie Gerloff enjoyed last week vacationing with her son and wife, Mr. and Mrs. Raymond Gerloff of Abilene. They spent a night in Austin, from there they went to Houston where they visited with Mrs. Gerloff's grandson and family, the Ronnie Gerloffs, and attended a football game at the Astrodome. Then Mrs. Gerloff spent three nights in Waco with her sister, Mrs. Louise Spradlin. On the way back she stopped in Stamford and spent a night with her sister, Mrs. Pauline Fuqua. Mrs. Fuqua brought her home Friday.

Saturday visitors in Mrs. Katie Gerloff's home included her son, Eugene Gerloff of Lubbock and his son, Mickey, a student at Arlington State.

## Phone Co. Makes Plans To Stop Fraudulent Calls

Southwestern Bell is out to stop people from using fraudulent telephone credit card numbers and fake phone numbers to make long distance calls without paying for them. "We're making it more difficult for fraudulent long distance calls to be completed," said Bud McCasland, manager for Southwestern Bell here. "If a fraudulent call is completed, using a fake credit card number or phone number, we have new ways to detect, investigate and prosecute the person responsible."

Highlights of the new plan include: —Changing of the credit card numbering system —Training of long distance operators to detect fraudulent calls when they are placed —Use of computers to spot fake credit card numbers and phone numbers when long distance calls are billed. Most fraudulent calling involves illegal charging of calls to Bell System credit card numbers. "But under our new system," McCasland said, "If a person in

Hamlin makes a call using a non-existent credit card and the operator doesn't catch it, we can still spot it through daily processing of toll message tickets. This means quick identification—maybe in 24 to 48 hours. It's virtually impossible to escape detection after that. We can identify who made the call with just one call."

Use of an unauthorized or fictitious telephone credit card could violate both state and federal law. Maximum penalties range from a \$1,000 fine and 10 years in prison if convicted of a felony under Texas law to a \$10,000 fine and five years in prison for felony conviction under federal law. "There are good reasons for the stiff penalties," McCasland said. "The Bell System may lose \$34 million to toll fraud this year. In the five states Southwestern Bell serves, toll fraud losses may top \$3 million."

When a person makes a fraudulent call, "we'll be right there to stop him next time—either face to face or in a court of law," McCasland said.

## Van F. Covington Receives Second Unit Citation

U.S. AIR FORCE, Thailand—Sergeant Van F. Covington, son of Mr. and Mrs. James F. Covington of Hamlin, is a member of the 432nd Tactical Reconnaissance Wing at Udorn Royal Thai AFB, Thailand, that has earned the Presidential Unit Citation for a second time.

The wing was cited for its distinguished aerial action against hostile forces in Southeast Asia from Nov. 2, 1968 to Oct. 31, 1969. The award is the highest U.S. honor accorded a military organization.

The 432nd, equipped with F-4 Phantoms and C-130 Hercules aircraft, is the only wing in the USAF to have a reconnaissance, fighter and command and control mission. The unit's unarmed Phantom reconnaissance crews fly against enemy targets to obtain vital photo intelligence information. Phantom fighter-bombers pilots use the date to find and destroy the targets and Hercules Airborne Command Posts direct the reconnaissance and strike operations.

Sergeant Covington, an aircraft systems repairman, will wear a distinctive service ribbon to mark his affiliation with the wing.

He is a 1968 graduate of Hamlin High School.

## Medical Auxiliary Tests Youth for Visual Defects

Representatives of the Taylor-Jones Counties Medical Auxiliary were in Hamlin last Wednesday testing four and five-year-olds for possible visual defects.

The Visual Screening Project, in the second year under the auxiliary, is a search for the young child with "the lazy eye."

Mrs. Travis Smith of Abilene, general chairman of the visual project, and Mrs. Dale F. Johnson, auxiliary first vice president and publicity chairman for the project, were assisted in the one day testing in Hamlin by Mrs. E. D. Perrin, Mrs. E. J. Hawkins and Mrs. M. L. Smith, local members of the auxiliary.

## Funeral Services Held At Neinda For Mrs. Brown

Funeral services for Mrs. P. J. (Polly) Brown, 91, were held Oct. 19 in Neinda Baptist Church.

Mrs. Brown, a long time Jones County resident, died at 6 p.m. Oct. 17 in Anson Care Home after a long illness.

Services were conducted by Rev. Frank Codington, pastor, and Rev. James Woods, pastor of Central Baptist Church of Aspermont.

Burial was in Neinda Cemetery.

Born Mary Nancy Thomas Dec. 6, 1879, at Jewett in Leon County, she was raised there and married Pinkney J. Brown, Aug. 8, 1897.

They moved to Jones County in 1905, settling east of Anson. They moved to Howard County in 1907 and returned to Jones County in 1913. They lived and farmed in the Neinda community most of their married life.

Mr. Brown died Nov. 6, 1954. Mrs. Brown was a member of Neinda Baptist Church.

Survivors include three sons, John R. and J. E. (Rod), both of Neinda, and George of Anson; two daughters, Mrs. Cora Moulton of Abilene and Mrs. Beadie Barksdale of Anson; two sisters, Mrs. Arden Beasley of Anson and Mrs. Lester Wallace of Abilene; nine grandchildren, five great-grandchildren and four great-great-grandchildren. Grandsons were pallbearers.

Mr. and Mrs. R. D. Caldwell have returned home after spending 10 days in Lafayette, La., with a son and family, Mr. and Mrs. Bobby Caldwell and children.

Others assisting in testing were Mrs. Gary (Carrie) Tucker and Carolyn Gardner, both of Abilene who are working with the Tri-County Early Childhood Development Program.

Mrs. Johnson said that early detection of a visual abnormality could prevent behavior problems and learning disabilities when the child starts to school. "Often," she said, "problem children or those who have difficulty in learning are simply those who do not see well."

Seventeen youngsters were brought here from Rotan to be tested. One of this group was given a referral slip to see a doctor of the parents' choice.

Fifty-one Hamlin children were tested. Four were given referral slips.

The auxiliary has a follow-up program on the students that are given a referral slip. Arrangements are made with the Lions Club to purchase the glasses for needy children.

The auxiliary works in conjunction with the Texas Association for the Prevention of Blindness. Last year when the program was initiated, a representative from Houston conducted a workshop for the auxiliary.

Plans are for the project to be completed by Thanksgiving. Some 2,000 are expected to have been screened by this time, Mrs. Johnson said.

The screening is carefully done and when in doubt about a child he is re-screened before a referral slip is given.

## Neinda Philosopher Cites Evidence That Viet Nam Is Up to Normal

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One thinks he has discovered something, his letter this week claims.

Dear editor:

Correct me if I'm wrong, which means if you think I'm wrong keep quiet about it, but I have been putting together a lot of things I've been reading in the newspapers and seeing on television in the last few months about Viet Nam and I believe I've figured out something that has escaped President Nixon.

This is not to criticize the President, after all when you've got inflation and Congress on your hands, not to mention two jobs to fill on the Supreme Court, wage and price freezes, the value of the dollar, balance of payment worries, a trip to China and Russia and a daughter with a foot in a cast, there are some things you're bound to overlook.

But as I understand our position for the last ten years through four different Presidents, our sole aim in Viet Nam has been to get that country on its feet, politically and economically, so it can go about its business in a normal fashion, the same as any other country.

I believe that situation has now been reached. That country is now as normal as the rest of the world. I'll cite the evidence: (1) It's operating on borrowed money and going deeper in debt all the time. (2) Inflation is just

as bad there as it is anywhere else. (3) Its farmers are the lowest paid group in the country. (4) After the last election, the winner's opponents claimed the election was rigged. (5) The use of dope is widespread. (6) Traffic is just as snarled in Saigon as it is in any city in America, France, etc. (7) Hospital costs are out of

## Deadlines Told For Overseas Christmas Mail

All parcels being sent to armed forces overseas should be mailed early, according to an announcement issued by the Postal Service.

Parcels to be sent surface mail should be mailed by Nov. 5. Greeting cards should be in the mail by Nov. 15.

Space Available (SAM) parcels should be mailed Nov. 19 and packages sent Parcel Airlift (PAL) should be mailed by Nov. 26.

Airmail parcels and greeting cards may be mailed up to Dec. 10.

The above dates should be observed to assure receipt of the mail by Christmas.

The Postal Service also urges that parcels be securely wrapped — packaged in strong boxes, heavy paper and tied with stout twine. Each year many parcels arrive at their destination in poor condition due to insufficient care in preparation for mailing.

sight. (8) Crime is soaring. And finally (9), and this is the clincher, the overwhelming evidence that South Viet Nam is as normal as the rest of the world, its college students are rioting.

I don't know how we did it, but it now looks like South Viet Nam is on a level with the rest of the nations of the world and we might as well come on back home.

Yours faithfully,

## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

Hamlin and Jones County came out in pretty good shape in the redistricting plan adopted by the state Legislative Redistricting Board last Friday. The new district will include a small part of Abilene, all of rural Taylor County plus Jones, Nolan, Mitchell and Fisher Counties.

This plan is much better than the one that the House passed originally (but the courts threw out) because it does not split Jones County into two different districts. It also has the advantage of making the new district more of a rural district.

The new district takes in the part of Abilene where Rep. Grant Jones lives and would make him the incumbent. However he is supposed to be looking at the senate race now that Abilene is in a new district without an incumbent.

Rep. Frank Calhoun, the other representative currently serving Jones County, would serve the district made up of the balance of Abilene.

I have not looked at a big map of Abilene that shows the two new districts but the board pulled off a neat trick in making the new districts by splitting the line between where Calhoun and Jones live. This was a pretty good trick since they both live in the same neighborhood.

I am still not sure how we came out in the state senate redistricting approved by the same committee. We are no longer in the district with Abilene, but are in the same district with Wichita Falls.

I did notice right quick that Abilene was not too happy with the senate redistricting job since they will no longer dominate a rural district but instead were placed in a district with Waco.

I saw in the paper the other day where they are going to try a new experiment in education in San Antonio. It seems they have worked out a test program where they will pay bonuses to teachers, pupils and parents for doing a better job of teaching and learning.

It seems they are going to take two grade schools in San Antonio, conduct tests at both of them now and again at the end of the program and if the test school learns more than the other school does they are going to pay everybody a bonus.

Thus sounds like one more of our give away programs to me. I like the idea of testing to see if the teachers are teaching and the students are learning but can not quite see giving a bonus for doing what is supposed to be done anyway.

This is especially true of the part where the students and the parents will get paid if the students make good grades. We are having a hard enough time now just paying taxes to support the schools without coming up with more money to pay the students and their parents.

With deer season just around the corner I thought that you deer hunters might like to see the following tips as prepared by Cong. Omar Burleson in his weekly newsletter:

1. First you need a fast car — so you can get there early on the first day of the season — get the best place and save a chance of being shot at before you get in the brush. As a side benefit it saves the other guy some ammunition.

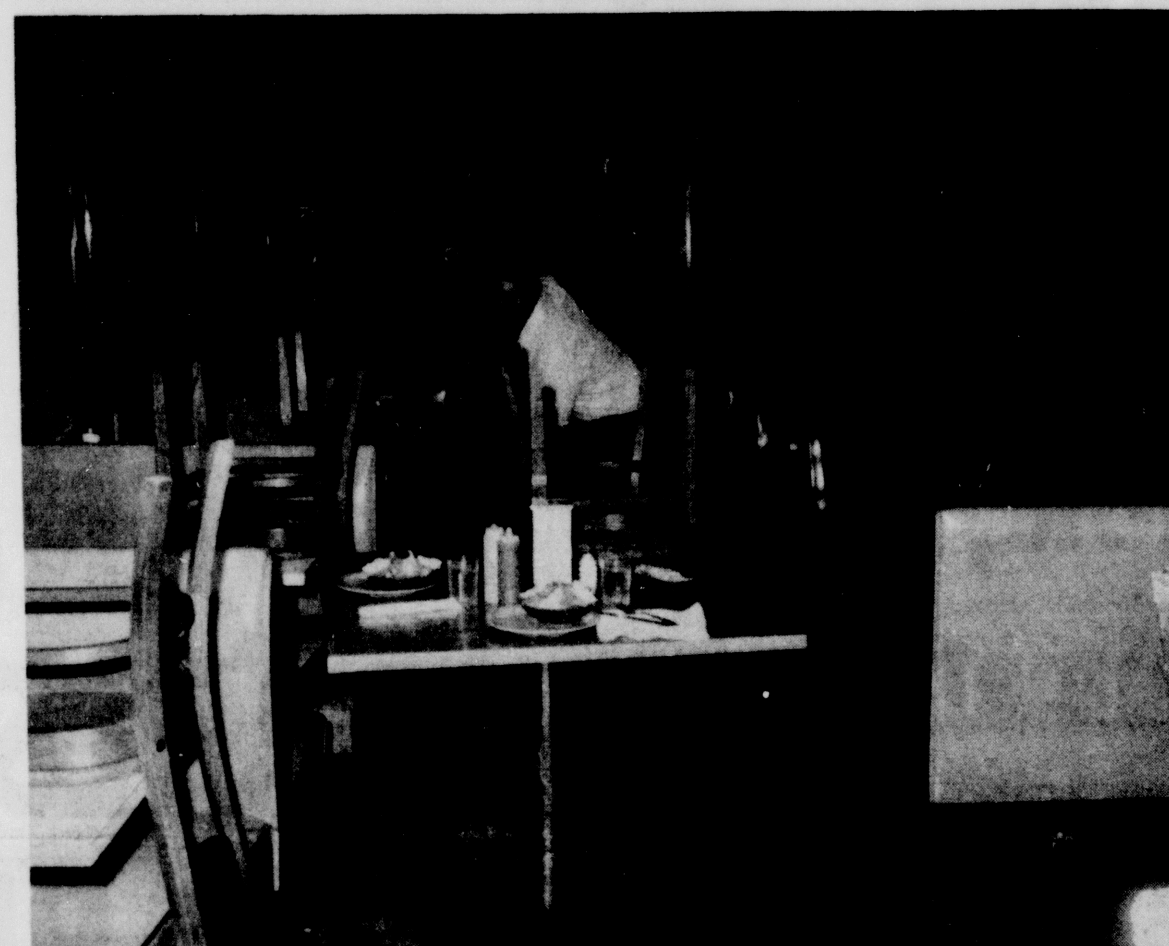

2. Be sure to shoot at anything that moves. If it's not a deer, it might be your best friend.

3. When you finally get your deer (maybe at 50 yards) be sure to pump a few more shots into the hams, backstrap and stomach.

4. Be certain not to bleed the critter. The locker plant man would be disappointed if you brought in a clean deer with lungs removed.

5. If you skin your deer, roll him around in the dirt real good and then wrap him in newspaper — (Sunday funnies are best because they stick

**BUILDING DAMAGED BY WATER** — Hamlin Restaurant was heavily damaged Tuesday afternoon when the back section of the roof, in top photo, collapsed. In lower photo, owner Phil Mann, sweeps out water Wednesday morning in the front section of the restaurant. Right photo shows damage to dining

room. The roof collapsed at 5:37 p.m. during a heavy downpour. The rain started about 3:30 p.m. and intermittent showers continued until about 8:30 p.m. Official measurement for this period was .87. Other rainfall during the week was 1.07 Friday evening.

## Pipers to Travel To Anson Friday

The Hamlin Pied Pipers and the Anson Tigers will both be when the two teams meet on the Tiger gridiron Friday evening at 7:30 in Anson.

While the Pipers were losing to Rotan last week 32-12, the Tigers were losing to Haskell 6-0. The Tiger loss came on three safeties. In the other district 7-AA game last week Stamford defeated Merkel 42-6.

In other action this Friday

Haskell will be playing at Merkel and Rotan will be playing at Stamford.

Coach Deane Wright told the Booster Club Monday evening that the Pipers probably played their best game of the season last Friday against Rotan but that they made three big mistakes. The Pipers fumbled three times against Rotan with all three mistakes leading to Rotan touchdowns. Because of

the fumbles the Yellowhammers took over the ball on the Hamlin 18, 19 and six yard lines.

Coach Wright said Monday that Ray Scifres would miss the Anson game because of a knee injury received in the Rotan game but he expected Johnny Jones to be ready for action by Friday. Jones missed the Rotan game because of a bruised leg muscle.

Scouting reports indicate that the Tigers have a strong passing game with Quarterback Ricky Watts, a 155-pound junior, throwing over 30 times in each of the last two ball games. Top running back for the Tigers is Mack Rye, a 155-pound senior.

The Tigers field a big team on defense with the front line averaging about 200 pounds.

### Reserved Seats On Sale Here

Principal B. V. Newberry has announced that Anson has reserved 300 seats for Hamlin fans for the Friday night game there. Only persons holding reserved seat tickets will be permitted to sit in the marked off section, he said.

Tickets are available at Reynolds Drug, Waggoner Drug and Howard Drug. Reserved seats are \$1.75 and general admission at the gate will be \$1.50.

### Annual Flower Show Planned Here Saturday

"Autumn Artistry" will be the theme for the Hamlin Garden Club's annual flower show to be staged here Saturday in the high school cafeteria.

Mrs. John Ed Day is show chairman.

The fall flower show will be open to the public from 3 to 6 p.m. There is no admission charge.

A plant sale will also be held. All members are urged to be at the cafeteria on Friday at 1:30 p.m. to make preparations for the Saturday show.

Judging will begin at 12:30 p.m.

### Jones County Diapause Control Meeting Tuesday

A meeting of county cotton farmers has been called for Tuesday, Nov. 2, to discuss organizing a Boll Weevil Diapause Control program for Jones County, according to Kirby Clayton, county agent.

The meeting will be held at 2 p.m. in the Sirlin Cafe in Anson.

Emory Boring of Vernon, area entomologist for the Texas A & M Extension Service, will explain the program.

Charles Holt of the Texas Dept. Agriculture in Austin will be on hand to explain the financing. It is expected that the state would pay half of the cost of the program.

### Hamlin Jaycees Express Thanks for Carnival Support

The Hamlin Jaycees and Jaycee-ettes express their thanks to all who supported the carnival held here last week.

The organizations also extended a special thanks to City Food Market, Heidenheimers and Winns for selling advance ride tickets.

Gross receipts totalled \$1,253.00, including \$456 from the carnival rides and \$797.00 from the booths. The Jaycee-ettes grossed \$190.00 from the concession stand.

## Annual Boy Scout Fund Drive Now Underway Here

The Boy Scout Fund Drive is now underway under the direction of Jerry Smith, chairman.

Plans were made for the drive at a meeting Wednesday evening with Robert Harris, scout executive with the Chisholm Trail Council. Other workers with Smith include Bill Davis, Harvey Lawlis, Joe Cortez, Ellis West and Charles Reed.

The funds from the drive will be used to help support the scouting program in this area. The funds will aid with the maintenance of the Camp Tonkawa near Buffalo Gap, pay postage, keep the Scout Service Center in Abilene open to aid the volunteer Scouters in nine counties and maintain the services of four full-time field professional Scouters to help the volunteer workers.

The local Cubmaster is Young Bill Maddox. Den mothers are

### Mink Family To Present P-TA Program Nov. 4

The Lynn Mink family will highlight the Nov. 4 meeting of the Hamlin Elementary Parent-Teachers Association to be held at 4 p.m. in the primary cafeteria.

The three children, Sheri, 11, Terry, 12, and Gary, 9, sing as a group called "The New Image." They will be accompanied by their mother, Mrs. Mink, on the piano. They will be introduced by their father, Lynn Mink, minister of music and youth education director of First Baptist Church.

The Nov. 4 meeting was originally set as a night meeting but was changed to 4 p.m.

Mmes. Ronald Carter, James Crowley, Rollins Roth, Harvey Lawlis, David Wade and David Epley.

Den leaders are Steve Reynolds, Donald Young and Rollins Roth. Jerry Atkinson is Hamlin Scoutmaster. The Scout troop is presently making plans to attend an overnight campout at Ft. Griffin State Park along with some 100 Scouts from this area.

### Police Chief Urges 'Clean' Halloween Fun

"We want the youngsters of Hamlin to have a nice clean Halloween and have fun," says Police Chief Ed Wheat, "but we cannot tolerate damage and malicious mischief."

He encourages parents of small children to take them out "Trick or Treating" early before the older "spooks" begin to circulate. He also urges parents to chaperone their young children.

### 500 Articles Sold In P-TA Garage Sale Saturday

Over 500 articles were sold during the Garage Sale held by the Hamlin Parent-Teachers Association Saturday. Total received from the sale was \$35.45.

The remaining clothing was boxed and given to the Salvation Army.

The project was termed a success as receipts will be used to buy necessary items for the needy and the area used for storage can be used for clothing

### Citizens Warned About Solicitors Without Permits

Solicitors and peddlers have been appearing in Hamlin in greater numbers during the past few weeks, according to Police Chief Ed Wheat, and most of these are not acquiring permits to solicit in Hamlin as required by a local ordinance, he added.

Citizens should ask to see the solicitor's permit to show that he has registered with City Hall and is authorized to be selling in Hamlin. If he has no permit, the citizen should call the Police Department and give a description of the solicitor and license number of the vehicle, if possible.

The soliciting and peddling ordinance also applies to the persons selling items as deaf mutes.

Joe E. Felton, executive director of the Better Business Bureau in Abilene, Tuesday quoted the National Association of the Deaf's advice against giving money to deaf mutes who solicit funds and pass out cards.

"Usually they hand out small cards bearing an appeal for contributions and the statement, 'I am a deaf mute,'" Felton said. "The reverse side of the card contains the alphabet in sign language."

He said they are not always deaf mutes.

He quoted the national association as saying, "Don't be a sucker. Don't give money to these peddlers under any circumstances. Tell them to get out and go to work. This is what the majority of the deaf are proudly doing now."

Weekend visitors in the home of Mr. and Mrs. James F. Wright and Tony were Mrs. Wright's mother, Mrs. W. P. Fraser of Denver, Colo., and sister, Mrs. J. W. Cearley of Frisco, Colo.

### BCD Banquet Date, Speaker Announced

The date and speaker for the annual Hamlin Board of Community Development Banquet was set by the board of directors at their meeting last Wednesday, according to John Scarborough, president.

The banquet will be held in the high school cafeteria Thursday, Jan. 20.

The speaker will be Rev. Kenneth Wyatt of Tulsa. He is a former Methodist minister, an artist and a noted after dinner speaker.

A highlight of this year's banquet will be the awarding of an "Outstanding Citizen Award." The selection will be made by presidents of the civic clubs of Hamlin with Melvin Scott serving as chairman.

### School Pictures Set Here Friday

The school photographer will be here Friday for his annual visit to take pictures of Hamlin school children.

All parents of pre-school children who would like to have pictures of their children taken should have them at the primary school during the morning Friday.

Pictures of the pre-school children are taken with the parents being obligated to purchase the pictures.

Martha Robertson, daughter of Mr. and Mrs. Revis Robertson, was elected vice president of the council of Hardin-Simmons University's Hunter Hall.

Mr. and Mrs. George Bingham and Denise of Odessa visited his parents, Mr. and Mrs. Bonnie Bingham over the weekend.

### Nancy Wall Is Named McCaulley Football S'heart

During half-time activities of the McCaulley-Fluvanna football game Nancy Wall was crowned Football Sweetheart. Nancy is a senior and a cheerleader this year. A football hero, Eddie Gibson was also honored.

Howard Faught, president of Ex-students Association awarded Larry Smart a gift for traveling the most miles to the Homecoming. Larry is stationed at Fort Benning, Georgia. More than 100 people attended the dinner preceding the football game and many more ex'es and fans from surrounding communities who had once been residents of McCaulley attended the football game.

Graduating classes dating back to 1913 were represented by Maudie Fancher Barton, 1918 by Eula Fancher McHone, and Ellen Peacock Galloway. 1923 by R. B. Hennington, 1924 by Hollis Madden, 1928 by Mrs. P. H. Buster (Emma Mae Green) and Howell Buster, teacher 1932. Buford Dean of 1926, Ruth Kemp Crance of 1928; Emma Hopkins Pindexter of 1927 and many others; representing classes of more recent years.

New officers elected for next homecoming were: President, Bobby Smith, first vice-president, Marion Reed, second vice president Rickey Jeffrey; Secretary, Prescilla Smith and Treasurer, Vickie Smart.

### In Astrodome

James Knabel, senior, C. A. Jenkins and Robert Bailey, both sophomores, were members of the Hardin-Simmons University Concert Band which appeared at a massive Baptist Rally in Houston's Astrodome Wednesday night.

Young H'makers  
Hold Halloween  
Party Monday

A Halloween Party at the Bluebird Hut was held Monday evening by the Young Homemakers.

Costumes were worn by those attending. Prizes were given to Mrs. John Cleaver for the ugliest costume and Mrs. Chris Pena for the most original.

After refreshments were served by the officers, the guests went through a haunted house where they also had their fortunes told. Mrs. Cecil Richardson was the fortune teller.

Games were played, including apple on a string and tow sack races.

During the business session the members decided to open their haunted house to children up through junior high school age and their parents on Saturday night from 7:30 to 9:30 p.m. Admission will be 15 cents and fortunes will be told for 10 cents.

Others attending the party were Mmes. Guy Weaver, Dan Newberry, Bobby Stubblefield, Blaine Bennett, Robert Moore, Larry McCoy, Burt Oliver, John Poe, Randy Brown, Mac Reid, Dwain Rogers, David Wade, Cleon Warner, Danny Warner, J. L. Warner, Travis Sursa, David Epley and Corky Taylor, advisor.

The next meeting will be Nov. 1 at the high school. The program will be presented by Mrs. Dan Newberry. She will show slides taken in Germany and Hawaii. Babysitting will be furnished.

PREPARING FOR FLOWER SHOW — Mrs. John Ed Day, general chairman for the standard flower show, "Autumn Artistry," to be staged here Saturday, goes over details with, from left, Mrs. Horace Driver, club president; Mrs. Harold Bonner, staging chairman; Mrs. R. L. Goodgame Jr., publicity chairman; and Mrs. Herbert Lakey, anti-litter chairman. On the table are pieces of driftwood to be used in individual arrangements and an arrangement prepared by Mrs. Goodgame.

K. T. Scotts  
Attend Meeting

Mr. and Mrs. K. T. Scott attended Grand Chapter, Order of the Eastern Star Oct. 18-22 in Austin.

Some 8,000 people attended. Mrs. Scott is worthy matron of the local O. E. S.

Ruth Class Meets  
Tuesday In Home  
Of Mrs. Goodgame

Ruth Sunday School Class of Central Baptist Church met with Mrs. Opal Goodgame Tuesday afternoon with 13 members present.

Mrs. Troy Money gave the opening prayer. The Bible Quiz was conducted by Mrs. Ben Wilcox. Mrs. Newell King gave the devotional on Matthew 13.

A sunshine box was prepared for Kathy Meyner who has been hospitalized and is now convalescing at the home of her grandparents, Mr. and Mrs. C. L. Meyner Sr.

Mrs. Goodgame gave the closing prayer.

Plan something important  
Then, do it.

Calvary Baptist  
Women Receive  
Attendance Banner

The representatives of the Calvary Baptist Church attending the district meeting of the Woman's Missionary Auxiliaries at Colorado City Oct. 21 were awarded the banner for attendance record.

Attending were Mmes. Archie Carson, Dan Branscum, C. E. Butler and Henry Downey.

The program on "Things to Ponder" was presented by 18 women from churches in the district.

Mrs. Mike Kelley spent several days in Dallas to be with her mother, Mrs. Lee Knight of Childress, who had surgery Tuesday in Baylor University Medical Center.

N. A. Wilcoxson and Von Wilcoxson, both of Dallas, visited with their sisters, Mrs. R. M. Young Sr., and Mrs. Floyd Hallmark this weekend.

Local Garden  
Club Women  
To Attend Meet

Mrs. Horace Driver, president, and Mrs. R. L. Goodgame Jr., first vice president, of the Hamlin Garden Club will attend the District VIII Texas Garden Club Convention in Big Lake. Reagan Garden Club of Big Lake will host the fall convention Nov. 5-6 in the Methodist Church building. The Hamlin women will attend the Saturday session.

Mrs. Willingham  
Hosts Beta Theta  
Meeting Oct. 20

Mrs. Jack Willingham was hostess for the Oct. 20 meeting of Beta Theta Chapter of Beta Sigma Phi. Mrs. Ken Prewit, president, presided.

Plans were made for a Thanksgiving dinner to be held Nov. 20 at the Hamlin Country Club.

Following the business meeting the members went to the home of Mrs. E. D. Perrin for the program which she presented on her trip to Japan. She presented slides of the areas that were visited, including Hong Kong, Thailand and Japan.

Several art objects were shown to the club members. Among them were a jade tree and miniature carvings in solid ivory.

Others present were Mmes. Jerry Smith, O. H. Weaver Jr., Sam Mac Hodges, Mack Sellers, Johnny Jeffrey, Bob McKissack, Joe E. Ford, Parker Kelley, Cecil Richardson and Leldon Clifton, sponsor.

The next meeting will be Nov. 3 at 4 p.m. in the home of Mrs. Mack Sellers.

HERO-FHA Club  
Organizes Here,  
Elects Officers

The Home Economics Cooperative Education Class of Hamlin High School met in the foods lab of the Homemaking Department Friday to organize a club.

The group selected HERO-FHA chapter for the name of the organization. HERO symbolizes honesty, enthusiasm, responsibility and opportunity. The FHA stands for the Future Homemakers of America.

Officers were elected as follows: Latrese Williams, president; Joe Martinez, first vice president; Frances Collins, fourth vice president; Martha Ellison, reporter; Sandra Tyler, secretary; and Terry Bailey, treasurer.

Committee selected for the program and yearbook planning by Martinez were Miss Ellison and Joy Burleson.

Miss Williams named Terry Bailey and Frances Collins to the constitution and by-laws committee.

The next meeting will be held Nov. 19. The project for this meeting will be to gather toys for the Volunteer Fire Department to repair for needy children. Two places of employment will also be visited.

News from...

SYLVESTER

by Mrs. R. M. Babb

We have had 1.65 in. of rain last week but can't say as to what will happen today. It looks like winter and rain. Kind of rough on these cotton farmers and the ones raising grain or hay. The fields are too wet to get into to do anything so guess we will just wait.

Mr. and Mrs. Freddie Kiser of Sweetwater drove over one afternoon and visited with his brothers, the Roy and Raymond Kiser families.

Mr. and Mrs. Merrell Turner of Farwell visited in the Charles Scott home and with her Mother, Mrs. Ella Scott, in Hamlin.

Mrs. Retta Kidd has been able to come home after several weeks in Hamlin hospital.

Grace Brewer has been here for several days. She has sold the brick in the old store building and says she will return to Abilene soon.

Mrs. Velma Reed and Mrs. Loys Smith drove to Breckenridge Saturday taking Loys Smith so his brother Alton could take him on to Temple for surgery.

Mrs. Eivens of Ft. Worth returned home last Saturday having spent several days in her daughters home, Mrs. Milo Gray.

Mr. and Mrs. Curtis Howard are very happy to have with them, their daughter, Tessa Holdridge, of Oceanside, Calif.

Miss Alice Cross is doing real well after hip surgery in Temple last week.

Mr. and Mrs. Spurlon Harris have moved into Sweetwater.

Mr. and Mrs. Gordon Davis enjoyed a nice vacation in all parts of Arizona recently.

Mr. and Mrs. Floyd McCain and Mr. and Mrs. Luke Maberry were in Temple last week for a check up.

A man wrapped up in himself makes a very small package. Our sympathy to the family of Eddie Aldridge of Rotan who passed away last week. He was a brother-in-law of Mrs. Lea Dickerson.

Mr. and Mrs. W. B. Brown returned Monday after several days in the home of their son, Bill Brown, of Harlingen.

# FROM THE FILES . . .

FORTY FIVE YEARS AGO  
(October 26, 1928)

The football battle is transferred to the Rotan lot this Friday. This takes the Pied Pipers off their own grounds for the first time this season. So far they have played Roby, Stamford and Merkel here, losing all three of the games, but still they are full of fight.

Last Friday the Pipers took on Merkel and enjoyed a very evenly fought battle. Merkel managed to come out over Hamlin with 7 to 6 in their favor. The crowd was not as large as in other games, but the racket and fuss of the pep squad was all there and the few persons over from Merkel went into heights of untold joy when their boys made a touch down, the first point of the season. But soon after this unusual sensation for Merkel, Hamlin came in for the same feeling. Hamlin went over the line for her first time. So after all both teams went away feeling better. But not as good as Hamlin fans wished.

Due to a discussion held in class meeting Monday, the date of our carnival was changed. We believe that it will be best to have it November 2nd, instead of Hallowe'en night.

As this chosen date is on Friday, we believe that it will allow us more time to get the school building back in order for the regular weekly session of the following Monday.

Please, folks, don't forget the date, November 2nd, and come. You'll have a wonderful time, and we'll have a wonderful time counting our profits.

Friendly rivalry is running full strength among the classes for the best stunt. The gum chewing and cracker teating contest will also offer a great deal of amusement.

The Hamlin telephone operators enjoyed a delicious luncheon Sunday, October twenty-first at the noon hour, in the rest room.

After lunch they drove to the City Lake and Park kodaking.

TWENTY YEARS AGO  
(October 26, 1951)

Hamlin almost got a soaking rain on Monday, for which long it had been hoping and even praying.

Sunday night the distant horizons began to occasionally glint with lightning, and shortly after dawn Monday the skies released a few sprinkled drops that by noon had turned into a dismal drizzle.

The young folks knew the need of that rain but sort of hoped since it had waited so long, perhaps it would hold off until after the Hamlin-Anson football game tonight (Friday), but the older heads who worry with payrolls and love the music of clanging cash registers fervently hoped in vain that the drizzle would become a downpour.

It didn't, and Tuesday dawned sunny and bright, capped by a hot afternoon.

The week as a whole was not the best that nature could have provided had it been more benevolent.

Despite the lack of badly needed rains even the old-timers of the greater Hamlin area say that it is amazing how the crops continue to grow and withstand the strain of drought-like conditions. Pastures are not faring so well, however.

One of a series of Fire Marshall's training classes to be held in five area cities may be held in Hamlin next week, according to Weldon Hudson, volunteer marshall here.

First of the sessions will be opened in Haskell Monday night, and will be attended by Hudson and six or eight members of the Hamlin Volunteer Fire Department.

If final plans and specifications are approved by the United States Post Office Department, Hamlin may have a new \$25,000 post office building by March 1 of next year.

## Special Cow Sale Set Saturday In Sweetwater

SWEETWATER — Over 2,500 head of cattle are expected at a special cow sale conducted by the Sweetwater Livestock Auction, Inc., Sweetwater, Texas at 12 Noon, Saturday, October 30.

According to market owner Cecil Sellers, buyers from

Nebraska, Kansas, Oklahoma and Texas are expected to be on hand to bid for the hereford, angus and crossbred cows and heifers.

Sellers indicates that the sale will feature young, selected, pregnancy tested cattle. Cattle are being consigned from a very broad area including a lot of 250 from New Mexico. The consignments are in large lots from sizeable ranching operations, as well as in smaller groups from

individual owners.

Visiting in the home of Mr. and Mrs. A. C. Hayes over the weekend were their daughter and family, Mr. and Mrs. Don Rose of Stamford; a niece and family, Mr. and Mrs. Charles Sueh and Stevens of San Antonio; and their daughter-in-law, Mrs. Joe Hayes and Bryan of Wickett, and Mrs. Joe Hayes' sister, Mrs. Doug Curbow and Susan of Monahans.

Location of the building, if approved, will be constructed on the corner lot of Southwest Third Street and Southwest Avenue A, facing north on the paved portion of Third.

The Post office proper will contain 3,000 square feet of floor space. The property upon which it will be constructed is 50x100 feet in width and depth, and for patriotic and decorative purposes will include a flag pole.

TEN YEARS AGO  
(October 26, 1961)

The second annual Hamlin Jaycee Carnival is in full swing here with fun and excitement for everyone. The four day affair opened Wednesday night and will close out Saturday night.

The big show is located this year on Willard Jones' lot behind Safeway and features all of the rides to be found at most carnivals and fairs plus 15 booths operated by the local club members.

This is the second year of the carnival here and is expected to be bigger and better than before with several new booths added this year. There was some question Wednesday as to whether or not the club would be able to have their popular Dunking Sam in operation this year because of the cold front that moved in on Wednesday morning.

Charles Absher, Jaycee president, said that like all of the money raising projects by the club the profits of the carnival will be used for their many youth programs and for civic and community improvements projects.

Carnival chairman Jerry Howard stated that the group has a large number of desirable prizes to be won at the various booths plus an attendance prize to be awarded each of the four nights.

All of the rides will be operated by experienced carnival men who work with civic clubs all over the state supplying the booths and operating the rides.

The Pied Pipers are taking the weekend off this week after reaching the midway point in the district race with a 1-1 record. They will host Spur here the following week for their final home game and then journey to Stamford the next week to finish out the regular schedule.

While the Pipers are idle, Stamford and Anson will be squared off at Stamford with Haskell taking on Spur. Anson will be fighting to stay in the race with a 1-1 record, holding a win over Spur and a loss to Hamlin. Stamford with a 1-0 record needs a win Friday to remain tied for first or to take an undisputed lead. Haskell is not expected to have much trouble with lowly rated Spur to hold on to their share of the title lead.

## And What Have You

6. Next — drag your carcass to the car, place it over the hood — in the hottest place. This way it will dry out after awhile, catch all the dust and people can see you got one.

7. On the way home, stop at a beer joint and after warming up, tell all about it. "He was at least 250 yards and running full speed....."

8. By being delayed you won't be home until well after midnight. Wake the locker plant man and tell him the way you want every piece cut. While he's doing this tell him how you dropped your trophy with one shot at 450 yards.

# SOMEBODY CARES

It is so important that someone cares about how this child grows up. Someone

cares that she is clothed and fed and loved. Someone cares that she goes

to school and grows in mind as well as body. Someone cares about

her childhood wonder and curiosity and wants to see them

satisfied. Someone cares enough to teach her to love other

people and will help her in her relations with them.

Someone cares about her spirit and desires for her

the highest ideals and standards, and will

help her to know God. Are you this someone?

Let it be said of her as it was said of Him,

"And Jesus increased in wisdom and stature and in

favor with God and man." Luke 2:52.

TAKE  
SOMEONE  
TO CHURCH  
THIS WEEK

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Piper Fumbles Give Rotan Y'hammers 32-12 Victory

The Pied Pipers blew another chance to get into the winning column Friday as they fumbled away a district contest to the Rotan Yellowhammers, 32-12. Three fumbles gave the Yellowhammers three easy touchdowns and the victory.

The Pipers fumbled two punts, one on their own 19-yard

line and one on their own 18 yard line, and their last fumble came on their own six-yard line.

Trailing by only two points at half time, the Pipers appeared to be carrying the fight to the Yellowhammers when they lost their second fumble of the night and gave up an easy touchdown. This touchdown put the game out of reach of the Pipers as a heavy third period downpour made catch up football almost impossible.

The Pipers opened the game by kicking off to the Yellowhammers who picked up 15 yards in five plays before punting to the Hamlin 20. The Pipers failed to make a first down and punted out to the Rotan 47.

It took Rotan only five plays to get on the scoreboard with Quarterback Norvelle Kennedy doing the honors from the one-yard line. The two point try failed.

Following the kickoff the two teams exchanged punts but the Pipers fumbled the one by Rotan and gave up the ball on the Hamlin 19. It took Rotan four plays to score — this time with Fullback William Duke scoring from the 15. Kennedy ran in for the two points.

Milton Jones returned the Rotan kick off back 19 yards to the Hamlin 37 and then passed to Halfback David Willis across the middle. Willis headed for the sidelines and outraced the Yellowhammers to the goal for a 63-yard touchdown play. The two point try failed.

Rotan moved down to the Hamlin 29 yard line following the kickoff before the Pipers stopped their drive and took over.

Fullback Barry McDonald picked up five yards, Hamlin lost five on a penalty, Milton passed to Kenneth King for nine yards, and McDonald picked up the first down at the 41. A pass went incomplete, McDonald picked up four more yards, and then Milton passed to Willis for 15 yards and a first down at the Rotan 40. McDonald picked up two yards, Joe Mayes four, and Willis picked up a first down at the 28.

Mayes gained two, McDonald five, and Mayes added five more for a first at the Rotan 16. Mayes was dropped for a two-yard loss, McDonald gained four, and on third down Milton pitched out to McDonald at the last second on the option with McDonald racing into the end-zone. The two point try was inches short.

Rotan moved down to the Hamlin eight-yard line before running out of downs. The Pipers ran out the clock to finish the half trailing 14-12.

Mayes returned the second half kickoff back 13 yards to the Hamlin 25. The Pipers moved down to the Rotan 26 before

giving up the ball on downs. The big gainer in the drive was a 27-yard run by Milton.

The Piper defense tightened up and the Yellowhammers were forced to punt on fourth down from the 24. But the Pipers fumbled the punt and gave the ball back to the Yellowhammers on the Hamlin 18. It took Rotan only five plays to put six more points on the board with Kennedy scoring from the one. The two-point try failed.

The Pipers failed to make their first down and punted out to Rotan with them returning it to the Hamlin 43. Five plays later Kennedy scored from the three-yard line to put the Yellowhammers out in front 26-12.

The Pipers fumbled the first play following the kickoff with Rotan taking over on the Hamlin six. Two plays later the Yellowhammers put six more points on the board with Duke scoring from the five. The two-point try failed.

Trying to play catch up in the rain, the Pipers had two passes intercepted.

On their next possession, the Pipers started a drive on their own 12 and moved down to the Rotan 11 before giving up the ball with only seconds left on the clock. The Yellowhammers ran out the clock to end the game.

### JV's Outscore Knox City, 28-24, Anson Here Thurs.

The Hamlin Junior Varsity defeated the Knox City Junior Varsity here Thursday evening in a wild scoring battle, 28-24. The local JV's will host Anson here tonight (Thursday) with the game set to start at 7 p.m.

Hamlin opened the scoring against Knox City with Quarterback Willie Hooper going in from one yard out. L. J. Lee added the two points.

George Titus intercepted a Knox City pass and returned it for six more points early in the contest to give the Hamlin JV's a 14-0 lead. Knox City got on the scoreboard with six points before the first period ended.

Lee put six more points on the board in the second period with Bill Cork adding the two points making the score 22-8. Knox City put eight points on the scoreboard before the half ended to make the score at halftime read, 22-16.

Knox City went ahead in the third period, 24-22, and Cork returned a punt 80 yards in the fourth period to put the local JV's out in front 28-24. The two point try failed and the game ended with the score 28-24.

## NEWS FROM . . .

# Old Glory

By JUDY WHITE

Old Glory students in grades one through six enjoyed a field trip to Abilene last Friday morning. They visited Teepee Village on the McMurtry College campus and then went to the West Texas Rehabilitation Center. They returned to school in the afternoon.

Mrs. Katie Gerloff enjoyed last week vacationing with her son and wife, Mr. and Mrs. Raymond Gerloff of Abilene. They spent a night in Austin, from there they went to Houston where they visited with Mrs. Gerloff's grandson and family, the Ronnie Gerloffs, and attended a football game at the Astrodome. Then Mrs. Gerloff spent three nights in Waco with her sister, Mrs. Louise Spradlin. On the way back she stopped in Stamford and spent a night with her sister, Mrs. Pauline Fuqua. Mrs. Fuqua brought her home Friday.

Saturday visitors in Mrs. Katie Gerloff's home included her son, Eugene Gerloff of Lubbock and his son, Mickey, a student at Arlington State.

**FOR SALE** — 15 acres of land with nice two bedroom dwelling and double carport southeast of Hamlin in the Plainview community. Will consider sale to veteran. John A. Sosebee, Anson, Texas, 823-3224 or 823-3488.

**FOR SALE** — Five rooms and bath, carpeted, 533 N. E. Ave. A. Could be used as three bedrooms. Call 576-3241, Mary Hollis.

**YOUR FUTURE HOME**, living room, hall, two bedrooms, new carpet wall to wall; car port, fenced yard with abounding fruit trees, new sidewalks; painted inside and out within the year; storm doors; cash down \$500.00 favorable terms only 7 percent; see Jack Vaughan in person; don't miss this opportunity, act now.

## Bids, Legal, Auction

**NOTICE TO BIDDERS**  
Notice is hereby given that the Hawley Independent School District Board of Trustees will accept bids for the construction of eight (8) class rooms to be attached to the present high school building and for the erection of a new gymnasium until Thursday, October 28, 8 p.m., at which time the bids will be opened and let in the Superintendent's Office in the High School Building.

Plans and specifications are available at the Superintendent's office in Hawley High School and at Dodge Report, 1459 Woodward, Abilene, Texas. The Hawley Independent School District reserves the right to reject any or all bids, and to award the bid considered most advantageous to the school district.

**MASONS INSTALL CHAIR LIFT** — Don Bailey, worshipful master, and A. E. Killion, secretary, of Masonic Lodge No. 958, show the chair lift that the lodge installed over the stairs leading to the Masonic Hall. The "Stair-Glide" is key operated and is designed with safety features. The chair is shown at unloading position. It will transport a 300 pound rider in perfect safety and when operated by the rider, it will stop automatically when the chair is turned slightly out of position. A buzzer will be installed at street level so that a person needing to ride up the stairs may get assistance from police Department personnel. At meetings of the Eastern Star and the Masons, a member will be on hand to operate it or give assistance.

## Phone Co. Makes Plans To Stop Fraudulent Calls

Southwestern Bell is out to stop people from using fraudulent telephone credit card numbers and fake phone numbers to make long distance calls without paying for them.

"We're making it more difficult for fraudulent long distance calls to be completed," said Bud McCasland, manager for Southwestern Bell here. "If a fraudulent call is completed, using a fake credit card number or phone number, we have new ways to detect, investigate and prosecute the person responsible."

Highlights of the new plan include:

—Changing of the credit card numbering system

—Training of long distance operators to detect fraudulent calls when they are placed

—Use of computers to spot fake credit card numbers and phone numbers when long distance calls are billed.

Most fraudulent calling involves illegal charging of calls to Bell System credit card numbers.

"But under our new system," McCasland said, "if a person in

Hamlin makes a call using a non-existent credit card and the operator doesn't catch it, we can still spot it through daily processing of toll message tickets. This means quick identification—maybe in 24 to 48 hours. It's virtually impossible to escape detection after that. We can identify who made the call with just one call."

Use of an unauthorized or fictitious telephone credit card could violate both state and federal law. Maximum penalties range from a \$1,000 fine and 10 years in prison if convicted of a felony under Texas law to a \$10,000 fine and five years in prison for felony conviction under federal law.

"There are good reasons for the stiff penalties," McCasland said. "The Bell System may lose \$34 million to toll fraud this year. In the five states Southwestern Bell serves, toll fraud losses may top \$3 million."

When a person makes a fraudulent call, "we'll be right there to stop him next time—either face to face or in a court of law," McCasland said.

He is the grandson of Mr. and Mrs. James P. Bowman and Mr. and Mrs. Monroe T. Tabb, all of Hamlin. He attended school in Hamlin through the seventh grade.

## Van F. Covington Receives Second Unit Citation

U.S. AIR FORCE, Thailand—Sergeant Van F. Covington, son of Mr. and Mrs. James F. Covington of Hamlin, is a member of the 432nd Tactical Reconnaissance Wing at Udorn Royal Thai AFB, Thailand, that has earned the Presidential Unit Citation for a second time.

The wing was cited for its distinguished aerial action against hostile forces in Southeast Asia from Nov. 2, 1968 to Oct. 31, 1969. The award is the highest U.S. honor accorded a military organization.

The 432nd, equipped with F-4 Phantoms and C-130 Hercules aircraft, is the only wing in the USAF to have a reconnaissance, fighter and command and control mission. The unit's unarmed Phantom reconnaissance crews fly against enemy targets to obtain vital photo intelligence information. Phantom fighter-bombers pilots use the date to find and destroy the targets and Hercules Airborne Command Posts direct the reconnaissance and strike operations.

Sergeant Covington, an aircraft systems repairman, will wear a distinctive service ribbon to mark his affiliation with the wing.

He is a 1968 graduate of Hamlin High School.

## Medical Auxiliary Tests Youth for Visual Defects

Representatives of the Taylor-Jones Counties Medical Auxiliary were in Hamlin last Wednesday testing four and five-year-olds for possible visual defects.

The Visual Screening Project, in the second year under the auxiliary, is a search for the young child with "the lazy eye."

Mrs. Travis Smith of Abilene, general chairman of the visual project, and Mrs. Dale F. Johnson, auxiliary first vice president and publicity chairman for the project, were assisted in the one day testing in Hamlin by Mrs. E. D. Perrin, Mrs. E. J. Hawkins and Mrs. M. L. Smith, local members of the auxiliary.

## Funeral Services Held At Neinda For Mrs. Brown

Funeral services for Mrs. P. J. (Polly) Brown, 91, were held Oct. 19 in Neinda Baptist Church.

Mrs. Brown, a long time Jones County resident, died at 6 p.m. Oct. 17 in Anson Care Home after a long illness.

Services were conducted by Rev. Frank Codington, pastor, and Rev. James Woods, pastor of Central Baptist Church of Aspermont.

Burial was in Neinda Cemetery.

Born Mary Nancy Thomas Dec. 6, 1879, at Jewett in Leon County, she was raised there and married Pinkney J. Brown, Aug. 8, 1897.

They moved to Jones County in 1905, settling east of Anson. They moved to Howard County in 1907 and returned to Jones County in 1913. They lived and farmed in the Neinda community most of their married life.

Mrs. Brown died Nov. 6, 1954. Mrs. Brown was a member of Neinda Baptist Church.

Survivors include three sons, John R. and J. E. (Rod), both of Neinda, and George of Anson; two daughters, Mrs. Cora Moulton of Abilene and Mrs. Beadie Barksdale of Anson; two sisters, Mrs. Arden Beasley of Anson and Mrs. Lester Wallace of Abilene; nine grandchildren, five great-grandchildren and four great-great-grandchildren. Grandsons were pallbearers.

Mr. and Mrs. R. D. Caldwell have returned home after spending 10 days in Lafayette, La., with a son and family, Mr. and Mrs. Bobby Caldwell and children.

Others assisting in testing were Mrs. Gary (Carrie) Tucker and Carolyn Gardner, both of Abilene who are working with the Tri-County Early Childhood Development Program.

Mrs. Johnson said that early detection of a visual abnormality could prevent behavior problems and learning disabilities when the child starts to school. "Often," she said, "problem children or those who have difficulty in learning are simply those who do not see well."

Seventeen youngsters were brought here from Rotan to be tested. One of this group was given a referral slip to see a doctor of the parents' choice.

Fifty-one Hamlin children were tested. Four were given referral slips.

The auxiliary has a follow-up program on the students that are given a referral slip. Arrangements are made with the Lions Club to purchase the glasses for needy children.

The auxiliary works in conjunction with the Texas Association for the Prevention of Blindness. Last year when the program was initiated, a representative from Houston conducted a workshop for the auxiliary.

Plans are for the project to be completed by Thanksgiving. Some 2,000 are expected to have been screened by this time, Mrs. Johnson said.

The screening is carefully done and when in doubt about a child he is re-screened before a referral slip is given.

## Neinda Philosopher Cites Evidence

# That Viet Nam Is Up to Normal

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One thinks he has discovered something, his letter this week claims.

Dear editor:

Correct me if I'm wrong, which means if you think I'm wrong keep quiet about it, but I have been putting together a lot of things I've been reading in the newspapers and seeing on television in the last few months about Viet Nam and I believe I've figured out something that has escaped President Nixon.

This is not to criticize the President, after all when you've got inflation and Congress on your hands, not to mention two jobs to fill on the Supreme Court, wage and price freezes, the value of the dollar, balance of payment worries, a trip to China and Russia and a daughter with a foot in a cast, there are some things you're bound to overlook.

But as I understand our position for the last ten years through four different Presidents, our sole aim in Viet Nam has been to get that country on its feet, politically and economically, so it can go about its business in a normal fashion, the same as any other country.

I believe that situation has now been reached. That country is now as normal as the rest of the world. I'll cite the evidence: (1) It's operating on borrowed money and going deeper in debt all the time. (2) Inflation is just

as bad there as it is anywhere else. (3) Its farmers are the lowest paid group in the country. (4) After the last election, the winner's opponents claimed the election was rigged. (5) The use of dope is widespread. (6) Traffic is just as snarled in Saigon as it is in any city in America, France, etc. (7) Hospital costs are out of

sight. (8) Crime is soaring. And finally (9), and this is the clincher, the overwhelming evidence that South Viet Nam is as normal as the rest of the world, its college students are rioting.

I don't know how we did it, but it now looks like South Viet Nam is on a level with the rest of the nations of the world and we might as well come on back home.

Yours faithfully,  
J. A.

## Deadlines Told For Overseas Christmas Mail

All parcels being sent to armed forces overseas should be mailed early, according to an announcement issued by the Postal Service.

Parcels to be sent surface mail should be mailed by Nov. 5. Greeting cards should be in the mail by Nov. 15.

Space Available (SAM) parcels should be mailed Nov. 19 and packages sent Parcel Airlift (PAL) should be mailed by Nov. 26.

Airmail parcels and greeting cards may be mailed up to Dec. 10.

The above dates should be observed to assure receipt of the mail by Christmas.

The Postal Service also urges that parcels be securely wrapped — packaged in strong boxes, heavy paper and tied with stout twine. Each year many parcels arrive at their destination in poor condition due to insufficient care in preparation for mailing.

## Grandson Dies In San Antonio

Dan Bellah, 8, son of Major (Ret.) and Mrs. William Bellah of San Antonio, died Oct. 19 in Brooke Army Hospital in San Antonio. He had been ill with leukemia for about three years.

His grandparents are Mr. and Mrs. Elmo Bellah, 202 N. W. First. His father was a 1948 graduate of Hamlin High School.

Survivors include his parents, one brother, Lee; and two sisters, Mary and Suzanne.

## Gary Jay Gets Army Discharge

Gary Jay returned home Sunday night after serving a tour of duty in Vietnam. He was met in Dallas Sunday evening by his parents, Mr. and Mrs. Eddie Jay.

Sgt. Jay received his discharge from the U. S. Army in Oakland, Calif.

He served in the 11th Armoured Cavalry Regiment as field operations sergeant for G troop. His assignment was in the Tay Ninh area securing rope plow operations and search and clear operations.

**VISUAL SCREENING** — Thomas Lee, 5, son of Mrs. Donald Lee, shows with his hand the direction that the 'legs' are pointing on the card held by Mrs. Dale F. Johnson as Mrs. E. J. Hawkins records the results of the visual screening test. Members of the Taylor-Jones Counties Medical Auxiliary were in Hamlin last Wednesday to test four and five year olds for visual defects.

Mr. and Mrs. Pat Welch of Bellaire visited Mr. and Mrs. Jack Collins Thursday night and Friday. Mr. Welch and Mrs. Collins are cousins and had not seen each other in 41 years.
